Notes

Before completing this form you should refer to your copy of the Plan's Benefit Schedule, to see what changes you are allowed to make to your investments.
If you have already made one switch of your existing investments to another investment option in the past year, a fee may be payable.
Special conditions, as set out in the Investment Statement, may apply to the transfer or withdrawal of funds from the AMP Capital Assured Fund.
PIE Tax, as set out in the Investment Statement, may be deducted when funds are switched.

Investment of Existing and Future Contributions

Depending on the terms of your Plan, you may be able to choose up to six investment options.

- If you wish to switch the current balance(s) of all your accounts to new funds, but wish to leave the allocation of regular contributions as they stand, please complete the % of Existing Funds column only.
- If you wish to leave the balance(s) of your existing accounts in the current funds but wish to change the investment of future contributions, complete the % of Future Contributions column only.
- If you wish to shift the current balance(s) of all your accounts to new funds, and have all future contributions invested in these new funds, complete the % of Existing Funds and the % of Future Contributions columns.
- If you are adding a voluntary lump sum contribution, or transferring funds from another superannuation scheme, please complete the Additional Lump Sum column and complete the payment details section below. If you would like this amount invested in the same proportion as your current investment(s) please tick here ☐.
